If you enjoy the sport of snowmobiling in Iowa, you are not alone. In 2017, more than 22,000 sleds registered with the Iowa State Snowmobile Trail Grant Program, and 60 clubs around the state maintained a 8,800-mile trail system.

The glue that bonds us together is the Iowa State Snowmobile Association and its network of 2,224 dedicated family members and associates. Since 1973, our organization has helped to maintain an expansive fleet of groomers and lobbied on behalf of snowmobile-friendly legislation.

Without the ISSA over the past 30 years, snowmobiles—for example—would have been held to a 15 mph speed limit, and

there would not have been any night riding, ditch riding nor access to state parks.

We continue to work to increase funding for trail maintenance and development, and in 2017, our organization assumed control of the state snowmobile trail grant program and of the entire groomer fleet. Our efforts continue, and your support would be greatly appreciated.
